Subject: RE: follow up question

Hi Jaclyn:

I had heard earlier in the week (via voice message from R. Tutino) that the conversation with the judge about my potential testimony was going to take place today. Not having heard anything, should I assume that I will not be expected on Monday morning?

Thanks,
Linda

He showed up at court today and I asked him about it. He wants to question you about the investigation into Annie Khan as she was one of the chemists on our case. We are trying to bring it before a Judge today to address whether or not you need to be here on Monday. I will e-mail you back when/if that happens.

The office transferred me to R. Tutino's voice message, so no opportunity to gain any clarification on the summons.
Thanks,
Linda

It says on the Subpoena to call him when you receive it, perhaps he may clarify why you were summonsed which I can only imagine based on my knowledge of the case was in error.

Subject: follow up question

Hi Jaclyn:

Attached is a copy of the subpoena I got this am. Should I call the defense attorney to let him know that I received this? I expect the answer is really obvious, but I just wanted to double check with you since I've never gotten one of these before.

Thanks!

Linda
